

SCRA Sponsors Golf Scramble at Gordon Lakes

The day began beautifully as eight teams teed off at Gordon Lakes Golf Club Saturday, May 11, during the Golf Scramble sponsored by the Adolphus Greely Chapter of the Signal Corps Regimental Association. Play began at 12:30 PM and continued until about 5:30 PM. Team Blue Falcon from the Non-Commissioned Officer Academy claimed first place with 58 strokes. Team Mumford came in a close second with 59. The prizes for longest drive and closest to the pin went to Dallas Gilmore and William Lehr with a drive of 321 yards and a 35 foot tee-shot respectively. SCRA also special mentions Jerry Mount who made a hole-in-one for team Rabbit on hole six of the Lake View course. Save the date for our next tournament scheduled for June 22. Proceeds benefit the annual scholarship program. For more information on the Signal Corps Regimental Association, visit our website at <http://scra-agc.org/>.
