

SCRA Celebrates Veterans Day Weekend, Visits GA War Veterans

On November 7, volunteers from the Signal Corps Regimental Association Fort Gordon/Adolphus Greely Chapter and their families celebrated the beginning of Veterans Day weekend by visiting with the residents of the Georgia War Veterans Home. The volunteers spent several hours socializing with various veterans throughout the home and also helped brighten their day by handing out candy and miniature U.S. flags. The Greely Chapter salutes its men and women in uniform past, present and future thanking them all for their commitment of selfless service to their country.
